Subject: Ashley Oaks Water and the City of Columbia

Mr. Terrini,

The purpose of this note is to voice our support for the transfer of the Ashley Oaks Water System to the City of Columbia. It is our understanding that this matter is the subject of a hearing to be conducted tomorrow (Docket Number 2007-41-W). The current system is totally inadequate for the needs of the Ashley Oaks Community- and this transfer and the subsequent hook up to the city water system is essential if this community is to have a reliable water supply in the coming months. We thank you for your consideration in this matter.
